Man charged with shooting neighbours boat with shotgun

MINDEN — OPP investigated 141 general occurrences last week including break and enters to the theft of a food hamper and a shooting.

Mrs. Herbert Wilms, who resides on the west side of Gull Lake reported that someone had just fired three shots from a gun into the bottom of her husband's beached boat. As a result of an investigation a neighbour, Thomas Peter Fischer 50, has been charged by police. PC Clendenning.

Early last Saturday, Lucinda St. Pierree, curator of the Rails' End gallery reported the theft of beige jacket valued at \$295. She also stated her \$140 watch was missing. The investigation is being conducted by PC Brown.

About 3 am Tuesday morning, Mr. and Mrs. Bill Gardiner of Navan, Ont. had motor trouble in their truck near the Lakeview School in Haliburton. Due to the late hour they spent the night in the back, removing some articles to make more room. When they awoke, a tackle box and food cooler were missing.

At 2 pm Sunday an Ontario Hydro truck was up on a hoist at Austin's Esso in Minden when the hoist broke and it fell to the ground. It was damaged to the tune of \$5000 and landed on another vehicle damaging it for \$500. PC Legge.

Jadek Sports in Minden's Country mall was entered Sunday evening and a quantity of cash, some shoes and sporting equipment were removed. The items were valued at \$800. PC Brown.

Sunday morning, Lionel Walker of Walker's Texaco phoned the OPP to advise them he had just corralled some people he believed were attempting to make off with a tire and rim from the garage. Charged are James Rogers 19 and William Rogers 21, both of Toronto and Carrol Ann Woolcox 18, of Nepean. PC Brown.

MNR announce new zones for 1981 small game seasons

MINDEN — Most wildlife zones allotted for big-game hunting by the MNR will also apply to the hunting of game birds, rabbits and squirrels this fall.

In announcing the seasons, MNR minister Alan Pope said, "the use of common zones for both big and small game is an important change in the regulations."

He said the hunting zones for small game will provide boundaries which can be readily identified by hunters and will facilitate the establishment of seasons based on local biological factors.

The grouse season in the area included in zones 42-44 and 46 to 59 will open Sept. 19 one week earlier and will correspond to the opening date for migratory game birds in these areas.

In zones 22-34 and 60 to 71, the season for ruffed grouse and spruce grouse has been extended by 16 days and will close Dec. 31.

The bag and possession limits for Bob-White quail are reduced to three per day and six birds in possession.

The season for rabbits will close on the last day of February in all or portions of hunting zones 60-67 and 73 (these zones were formally part of zone 9).

The squirrel season has been lengthened by 4 weeks in zone 77 and opens Sept. 26 to Dec. 15.

WHY AREN'T THERE MORE LADY CARPENTERS?

MINDEN — One of the few events at the County Fair for ladies is the nail-driving contest and 11 ladies turned up to show the men that they too can handle a hammer. Above Ila Cooper of Minden shows perfect form as she drives a five inch spike through a 4x4 in just 12 whacks. Ila didn't win however, as Marg Coulter did it in eight.

Haliburton Rotary Carnival highlights skiing, kiting, Wed.

HALIBURTON — The highlight of this year's Rotary Carnival which gets underway tonight and runs til Thursday, will be a skiing and kiting show which will be staged in the immediate area of the public dock on Head Lake and will feature eight professionals trick skiing, para-sailing, kite flying and maneuvering behind boats with as many as five skiers at once.

A real crowd pleaser will be the performance of a specially designed delta wing kite. The carnival starts at 5:30 with the famous Uncle Art's beef B-Q at the ball diamond. The monster parade, also a hit at any carnival or fair, will get underway at 6:45.

Following the traditions of carnival's there will be a giant midway, bingo and to top off the evening Ed Whiteway will entertain at the dance.

Eleven ladies took part in this contest and from the performances put on by some, area carpenters should watch out. Marg Coulter of Minden (left) and Grace Cowan of Carnarvon tied for first, driving a five inch spike into this 4x4 in just eight whacks. Marg won in a hammer-off.

EDITORALLY SPEAKING

World shows little confidence in Canada

The Canadian economy is suffering today from strikes, inflation, a declining dollar, unemployment and soaring interest rates.

But what this nation is suffering from most is lack of confidence — a lack of confidence, not only among Canadians but among other nations of the world.

And lack of confidence is well placed. People do not believe that the Canadian government or its agencies have the will or the way to put our economy back on track.

That is why the Canadian dollar persists in declining in world markets despite all our efforts to prop it up.

Seeing our nation in disarray — we can't even deliver our mail or run our national broadcasting system — investors in other nations show little confidence in our money.

These outsiders can see as we can, the aimless meandering of our government in economic matters. It is clear that Trudeau, McEachern and company don't know what to do about any of these problems.

One of the principal planks of the Trudeau energy policy was to encourage Canadian ownership of energy resources. And that is one part of the policy that seemed to be working, but typically, to curtail the flow of money from the country to pay for these purchases, McEachern then asked the banks to not loan as much money to Canadian firms to buy foreign holdings.

Canadian corporations don't know what they are supposed to do. Nor do Canadians in general.

Our parliamentarians appear to have given up and, after giving themselves a whopping raise in pay to cope with whatever trouble lies ahead, they have fled for a long summer vacation. Trudeau has sought refuge in Africa, about as far away from the Canadian economic crisis as he can get. They're all abandoning ship.

It seems our lack of confidence is well placed.

Brady Lake Association to celebrate 25th anniversary

At an informal meeting in Toronto of Brady Lake cottagers in 1956 it was decided to form what became known as the Brady Lake Ratepayers Association.

Since then many changes have taken place at the lake, and within the association which have led to improvements for all cottagers over the years.

Now, to mark its 25th year a Linden tree was planted at the Minden White Water Preserve. The association also planted a Mountain Ash tree to mark Canada's 100th birthday at the Highland Crest Home in Minden.

President for this year is Bernie Bonvanie, who with his executive and committee are making it a year to remember with a dance and buffet on Aug. 15th at the Stanhope Community Centre.

Pioneer Day in Coboconk to be held Saturday, August 22

COBOCONK — Even the prices at the Pioneer Day here on Saturday, Aug. 22nd will be reminders of bygone days. Hot dogs, pop, ice cream cones and corn on the cob will all be selling for just ten cents.

Throughout the Main Street, there will be displays of antique items and people operating them, and organizers hope to have a person churning butter.

All storekeepers will be dressed in period costumes and the public are invited to do the same. For their efforts there will be a costume contest held later in the day.

Included in the various displays will be a photo-museum with pictures of the area dating as far back as the mid 1800's. For the kids, there will be special hay rides too.

Wooden tools, antique motors, guns and early fishing and logging equipment on display will give people a real sense of the past. Pioneer Day begins at 10 am and runs til 6 pm.

Bears are unpredictable

Black bears have long been a fact of life in rural Northern Ontario where bears seen along roadsides and in dumps are a fairly common occurrence. Recently, there has been an increase in bear activity in more southerly areas in the province.

Bear problems are normally associated with searching for food. Many have found that garbage around campsites, cottages, rural residents, dumps etc. are a source of available food. Once bears have obtained food in a location they often return.

Campers should either keep their food and gar-

bage in the trunk of the car or hung between two trees out of reach of bears some distance away from the campsite. Keep a clean campsite, burn all garbage, wash dishes, dispose of foodscraps in your fire and do not keep food in a tent.

Nuisance bears can be destroyed by a landowner in defence or preservation of his or her property by authority of Section 2 of The Game and Fish Act.

Check with your local police or bylaw officer concerning special laws or regulations. Many municipalities have passed "no discharge of firearms" bylaws, which make it illegal to shoot within the boundaries of the municipality.

A bear which at one minute may seem docile, slow and stupid can, the very next moment become a violent, wild animal; capable of causing serious injuries or death to people nearby. Bears have no fear of man and are unpredictable and potentially dangerous with or without the presence of cubs.

If you see a bear remain in your car with the windows up. Do not get out of your car to take a picture. If you are on foot, back away slowly and give the bear a very wide berth.

Do not feed or approach a bear.

Lindsay, Woodville win titles at Hal. ladies tournament

HALIBURTON — Despite very poor playing conditions on Saturday and Sunday, the fourth annual Haliburton County Ladies Softball tournament went off without a hitch. Rain dampened things on both days but the 16 games needed to finish the annual sporting event were played.

Once again the powerful ladies squad from Lindsay came through with a super performance to capture the championship, defeating Little Britain 6-4 in the final game. Lindsay made it to the finals by first downing Woodville 11-4, then they thumped Oakwood 17-4.

In the consolation final, Woodville who were defeated in their tournament opener 11-4 by Lindsay, got their act together for the remainder of the tour-

Haliburton ladies clinch top spot with two victories

HALIBURTON — The ball season is winding down here and only top spot is certain, as Haliburton came up with two victories last week to clinch the league championship.

There are two league games left this week and both are extremely important. The Stanhope Ladies and West Guilford gals are one point apart in second and third spot and how they do will determine who they will meet in the first round of playoff action. Stanhope will be travelling to Minden to take on Dixie Lee and with a victory will clinch second spot. West Guilford will host the Minden Juniors and need a win to have any chance of finishing in the

In other games played during the two-day tourney, Carnarvon opened the affair on Saturday morning at 8:30 am pounding Norland 10-3. Marg Darby picked up the win while support at the plate came from Marg Fielding, Barb Barnhart and Jane Symonds.

Coboconk then took the field against Paudash and whipped their northern neighbours 13-1. Oakwood got by Ops 10-2, Sunderland blanked Bancroft Red and White 17-0, Little Britain trimmed West Guilford 14-4, with May Thayer the winning pitcher and Joan McKay of Guilford the loser. Lois Grills was five for five at the plate for Little Britain.

In the next contest Norland came up with the highest scoring game of the day pounding Paudash 23-10 in a five inning contest. Norland got 14 of their runs in the ill-fated fifth. Carnarvon won their second in a row in the quarter-finals doubling the score on Coby 6-3. In other quarter final action West Guilford made it to the Consolation final with a 19-12 win over Bancroft and Little Britain dumped Sunderland 8-3.
